*Examiner's Amendment*

Authorization for this examiner's amendment was given in a telephone interview with Mr. Alan Kasper (25426) on May 18, 2004.

The application has been amended as follows:

Amended claim 3, 11 and 14, each at line 1, deleted 'process'.

Amended claim 3, line 14, after 'step' added --said changing with respect to the first player being based on a result of evaluation of the second player's stepping performance and said changing with respect to the second player being based on a result of evaluation of the first player's stepping performance--.

1. The following is an examiner's statement of reasons for allowance: the changing with respect to a player being based on stepping performance of another player, as particularly claimed, in combination with other steps/features appears allowable over art as remarked in paper rec'd Jan 23, 2004. This appears to be taught/disclosed as originally filed at least on pages 15-20, 25-26, 28-33.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to M. A. Sager whose telephone number is 703-308-0785. The examiner can normally be reached on T-F, 0700-1700 hours.
